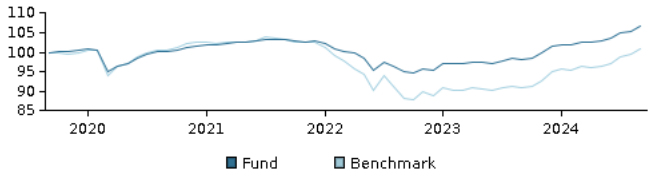
Objectives and investment policy

Objectives

The objective of this fund is to generate a return at least equal to the return on Nordic corporate bonds. The fund is accumulating.

Return in the period: 30.09.2019 - 30.09.2024



The default for the chart is the return for the past 5 years as of end of month or, if the fund is less than 5 years old, since launch. Past performance is not a reliable indicator of future results. Future returns may be negative. The return may increase and decrease as a result of currency fluctuations if the fund is issued in a currency other than the currency used in the country in which you are domiciled.
