NOTICE TO SHAREHOLDERS

Luxembourg, 27 October 2023

Dear Shareholders,

The board of directors (the "Board") of Danske Invest Allocation (the "Company") would like to inform you that the following changes will be made as regards the Company.

The below changes have been approved by the Company's regulator, the Commission de Surveillance du Secteur Financier and do not require a specific action for shareholders of the Company.

1. Change of services providers:

Danske Invest Management A/S, as the management company of the Company ("DIMA"), after having conducted thorough due diligence and market investigations, has proposed to replace, as from November 24th, 2023 (the "Effective Date"), the following services providers of the Company (the "Migration"):

- (1) CACEIS Investor Services Bank S.A. ("CACEIS") will be replaced by J.P. Morgan SE - Luxembourg branch ("JPM") as the Depository and Custodian (as defined in the current prospectus of the Company); and
- (2) CACEIS will be replaced by JPM as Administrative Agent, Registrar and Transfer Agent (as defined in the current prospectus of the Company).

The appointment of JPM has been assessed to be in the interest of the Company's shareholders by bringing the operational framework provided by DIMA to the funds even further towards a solid, efficient and market standard solution, supporting the funds to continue providing a broad and relevant product range in the future. The Migration will further bring the funds into a harmonized framework across Danske Invest domiciles and target markets.

The Migration will have no impact on the portfolio management of the Company's assets as its management company, namely DIMA, will remain unchanged.

The Migration will not trigger a change of the total/aggregated fees supported by the Company. The fees will remain unchanged as those currently disclosed in the last visa-stamped prospectus of the Company dated September 2023 (the "Prospectus"), which is available upon request at the current registered office of the Company.

Subscription, redemption, and switch dealing orders will be temporarily frozen for three trade dates, specifically on November 22nd, 23rd and 24th, 2023, prior to the Migration. This temporary suspension applies to all funds, except for those having a dealing cut-off one day prior to the trade date, which will have a freeze period of four days, from November 22nd to November 27th, 2023.

The table below provides the cut-off times for sending the last subscriptions/redemptions to CACEIS and the cut-off times for the first subscriptions/redemptions to be sent to JPM, along with the corresponding trade dates for each order:

The investment manager will not trade assets of the Company (except in cases of urgency, DIMA will assess whether the risk of not trading outweighs the risk of ensuring a smooth Migration) from November 22nd, 2023, to November 24th, 2023. This temporary trading suspension applies to all funds, except for those with a dealing cut-off one day prior to the trade date, which will have a freeze period of four days, spanning from November 22nd to November 27th, 2023, as above-mentioned under point 1 of this notice.
