

Objectives and investment policy

Objectives

The objective of this fund is to achieve investment growth in any type of market condition (absolute return). The share class is accumulating.

Investment policy

The fund gains exposure to a range of asset classes from anywhere in the world, using a tactical investment strategy. The fund may gain exposure to any credit quality, sector and country, including emerging markets. The fund is categorised as article 8 under SFDR and promotes environmental and/or social characteristics, as well as good governance practices, through screening, exclusions, investment analysis and decision-making as well as active ownership. The fund follows Danske Invest's responsible investment policy. The fund may invest in, or be exposed to, the following investments up to the percentage of net assets indicated: debt instruments with a rating of Baa3/BBB- (or similar) or lower: 75%, including debt instruments with a rating of Caa1/CCC+ (or similar) or lower: 15%. In actively managing the fund's portfolio, the management team combines market analysis and macroeconomic forecasts when assessing risk and return in order to take advantage of market opportunities. The fund may use derivatives for hedging and efficient portfolio management, as well as for investment purposes. The main part of the share class' NAV will be hedged against the base currency of the fund. However, the share class remains exposed to the currencies of the investments in the fund.  
Recommendation: This fund may not be appropriate for investors who plan to withdraw their money within 3 years.

Return in the period: 21.11.2022 - 30.04.2025

The default for the chart is the return for the past 5 years as of end of month or, if the fund is less than 5 years old, since launch. Past performance is not a reliable indicator of future results. Future returns may be negative. The return may increase and decrease as a result of currency fluctuations if the fund is issued in a currency other than the currency used in the country in which you are domiciled.

Annual return as of 30.04.2025, %

Annual return as of 30.04.2025

	2020	2021	2022	2023	2024	YTD

## Disclaimer & contact information

This fact sheet has been prepared as marketing communication by Danske Bank A/S ("Danske Bank"). Danske Bank is under supervision by the Danish Financial Supervisory Authority (Finanstilsynet).

This fact sheet has been prepared for informational purposes only and it is not to be relied upon as investment, legal, tax, or financial advice. You must consult with your advisor as to the legal, tax, financial or other matters relevant to the suitability and appropriateness of a potential investment.

This fact sheet is not an offer or solicitation of any offer to purchase or sell any financial instrument, this includes instruments distributed by third parties. Whilst reasonable care has been taken to ensure that the contents of this publication is fair, true, and not misleading, no guarantee is made as to its accuracy or completeness and no liability is accepted for any loss arising from reliance on it. Danske Bank accepts no responsibility for the accuracy and/or completeness of any third party information obtained from sources Danske Bank believes to be reliable but which have not been independently verified.

The returns presented in this fact sheet are historical. Historical returns are not indicative of future return and investors may incur losses on their investments. The return may increase and decrease as a result of currency fluctuations if the fund is issued in a currency other than the currency used in the country in which you are domiciled.

This fact sheet nor any copy of it may be taken or transmitted into the United States of America, its territories or possessions (the 'United States') or distributed directly or indirectly in the United States or to any U.S. person (as defined in Regulation S under the U.S Securities Act of 1933, as amended), including any national or resident of the United States, or any corporation, partnership or other entity organised under the laws of the United States.

Any information or opinions contained in this fact sheet are not intended for distribution to or use by any person in any jurisdiction or country where such distribution or use would be unlawful.

Please refer to the prospectus and the key information document before making any final investment decision. The prospectus, the key information document of the fund and information regarding complaints handling (investor rights) can be obtained at <https://documents.danskeinvest.com> -> press relevant fund.

If the fact sheet relates to an ESG-fund or a fund with a sustainable investment objective, you can find more information about the sustainability aspects of the fund at <https://documents.danskeinvest.com> -> press relevant fund.

The decision to invest in an ESG-fund or a fund with a sustainable investment objective should take into account all the environmental and/or social characteristics of the fund, or sustainable investment objective as described in the Prospectus.

Danske Invest Management A/S may decide to terminate the arrangements made for the marketing of its funds.
